

Snapshots per Origin

- Median of snapshots per origin: 1.0
- Average of snapshots per origin: 1.5

There are 165_612_612 origins with one snapshot out of the 200_334_673 origins we analyzed.

If we exclude the origins with only one snapshot we go from 0.25% to 1.4% of origins with an altered history that we were able to find.
